Work Experience

Planetary Sciences 206, Preceptorship August 2020- December 2020

- Graded students' homework.
- Held office hours for students who need help in understanding and revising their homework or help with understanding the day's lecture.
- Developed professional communication, mentoring, leadership, and interview skills through a Professional Development class.
- Worked with other Preceptors to lead a telescope project in which the students would obtain astronomical images using their smartphones and telescopes and be able to figure out what phase the moon was in.

Habitable Worlds 170, Preceptorship January 2021-May 2021

- Refurbished telescopes by taking them apart, making sure all parts worked and attuning them.
- Held office hours for students who needed help with understanding the lecture.

Walt Disney World, Magic Kingdom Character Attendant 2023-2024, May 2025-August 2025

- Providing guests with information about character locations and visitation times.
- Providing audience control when forming lines and having spatial awareness. While also handling guest situations including challenging guest situations.
- Ensuring safety to not only the guest, but also the performers.
- Maintaining show quality and integrity by helping animate a Character's movements and providing a story for why a character may be leaving.
- Assisting performers with putting on their costumes.

Walt Disney World, Hollywood Studios Outdoor Food Vending July 2021-January 2022

- Selling food and beverages at outdoor carts all around Hollywood studios.
- Cash handling both manually and on a computer.
- Making sure a guest is of age before dispensing and selling alcohol beverages.
- Lifted heavy objects, pushed heavy carts and stood for extended periods of time.
- Knew all the safety knowledge while working with cleaning chemicals.
- Worked both independently and as a team.

- Helped guests with food allergies and food safety concerns.

Gk Elite Sportswear, Meet Representative

January 2019-Present

- Determine what gymnastics leotards and apparel to acquire to sell at gymnastics competitions.
- Communicate with gymnastics gym owners on dates, venues and prices for setting up a Gk Elite Leotards booth at their competitions.
- Advanced sales by communicating with guests on their needs and acquiring the rights to additional products that are highly sought after at gymnastics competitions.
- Efficiently helped guests with any inquiries, transactions, concerns and future requests.

Gold Medal Gymnastics, Recreational Summer Camp Gymnastics Coach Summers of 2016-2018

- Taught gymnastics, arts and crafts and introduced uniquely themed games to children aged three to twelve years old.
- Each week would keep the children's enthusiasm up by creating challenging games that matched the theme of that week.
- Engaged with both the parents and children during the entire week to ensure that both parties were experiencing and getting the most out of their experience.
